

- 8 The mass of a radioactive substance is decreasing by 10% a year.

The mass,  $M$  grams, after  $t$  years, is given by the formula  $M = 500 \times 0.9^t$ .

- (a) Complete this table.

$t$ (years)	0	1	2	3	4	5	6
$M$ (grams)		450			328		266

[2]

- (b) Draw the graph of  $M = 500 \times 0.9^t$ .

[2]

- (c) Use your graph to estimate after how long the mass will be 350 grams.

(c) ..... years [1]

- 9 Mike has measured his rectangular lawn.  
The length is 13 metres and the width is 7 metres.  
Both measurements are correct to the nearest metre.

Calculate the upper bound for the area of the lawn.

.....m<sup>2</sup> [2]

- 10 At Hightown School there are 45 boys and 55 girls in Year 11  
and 60 boys and 40 girls in Year 10.

A pupil is chosen at random from each year.

Work out the probability that one boy and one girl will be chosen.

- 11 This diagram shows the frame of a window.  
The window has one line of symmetry.

$OB = 600$  mm.

- (a) Angle  $BOC = 55^\circ$ .

Calculate  $BC$ , correct to the nearest millimetre.

(a) .....mm [3]

- (b)  $AOB$  is the sector of a circle, centre  $O$ .  
Angle  $AOB = 70^\circ$ .

Show that the length of the arc  $AB$  is 733 mm, correct to the nearest millimetre.

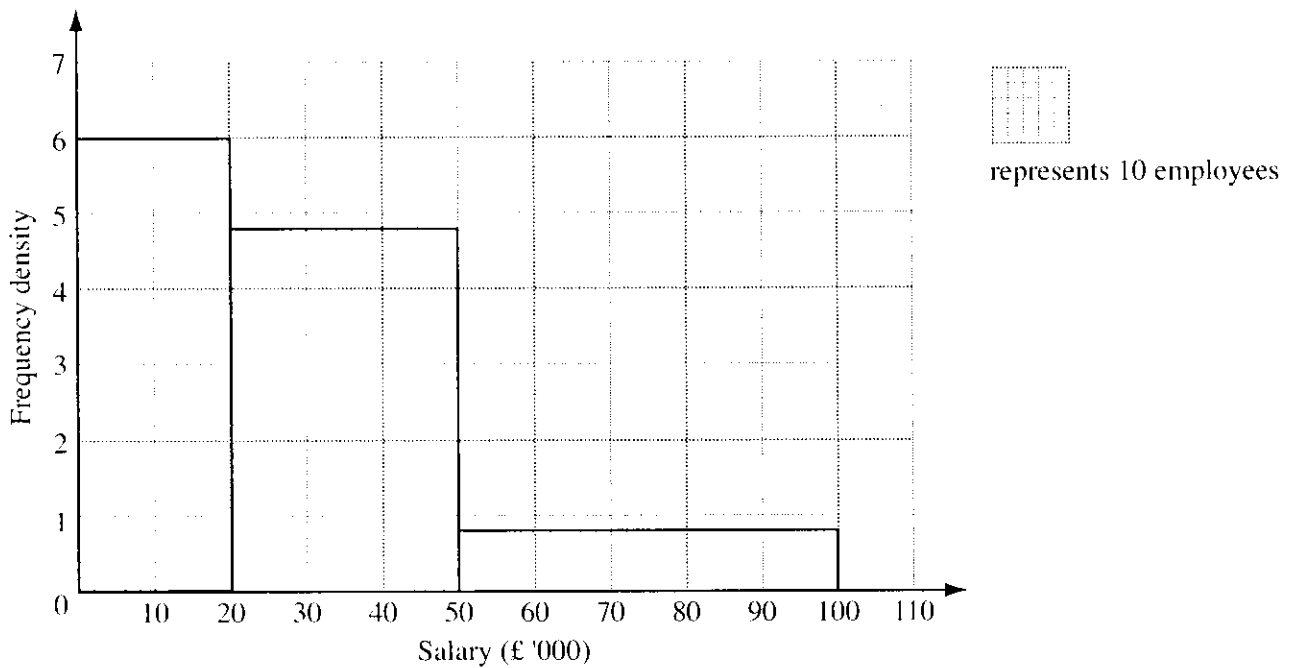

.....  
.....  
..... [2]

- (c) Calculate the total length,  $ABCD$ , of the window frame.

(c) .....mm [3]

- 12 This histogram shows the distribution of the salaries of all the employees in a company.

Use the histogram to decide whether these statements are true or false, or whether there is not enough information to decide.

- (a) The highest salary in the company is £100 000.

Tick the correct box.

True	<input type="checkbox"/>
------	--------------------------

False	<input type="checkbox"/>
-------	--------------------------

Not enough information	<input type="checkbox"/>
------------------------	--------------------------

Explain your answer.

..... [1]

- (b) There are more employees earning up to £20 000 than earning between £20 000 and £50 000.

Tick the correct box.

True	<input type="checkbox"/>
------	--------------------------

False	<input type="checkbox"/>
-------	--------------------------

Not enough information	<input type="checkbox"/>
------------------------	--------------------------

Explain your answer.

..... [1]

- (c) There are 304 employees altogether in the company.

Tick the correct box.

True	
------	--

False	
-------	--

Not enough information	
---------------------------	--

Explain your answer.

- 13 Julie has made a scale model of St Bede's Church.

The height of the model is 32 cm.  
 The height of the real church is 16 m.

- (a) Work out the scale that Julie used.  
 Write your answer in the form 1 :  $n$ .

(a) 1 : ..... [1]

- (b) The area of the floor of the church is 140 m<sup>2</sup>.

Work out the area of the floor of the model.  
 Write your answer in square centimetres.

(b) .....cm<sup>2</sup> [3]
